Attendance News Flash

For the first time, all classes achieved at least 96% last week meaning our whole school average was 97.7%. This is fantastic news and a great achievement by all pupils. It will definitely help us towards achieving our target at the end of the year. An extra well done to Year 6 and Year 2 who were the key stage winners.

Scooters, bikes and football

We are seeing an increasing number of children arriving to school very early and playing unsupervised on the playground. Children should not be arriving at school until 8.30am unless they are attending breakfast club or are a morning helper for their teacher. Scooters and bicycles should also not be ridden or pushed around the school playground. Due to incidents continuing, football has been banned from school in a morning.

Can I also remind all children that once they have left the school premises at the end of the day they should not return until the following day. Our playground is not to be used after school by any pupils.

Year 6 SATs

A huge well done to all year 6 children for their hard work and efforts this week. After a well-earned rest today it will be back to hard work tomorrow. We are all looking forward to your official post SATs treat after the May half term.
