Attendance

After two really good weeks for our attendance (all graphs can be found on the new school website www.christchurchfenton.co.uk) the whole school percentage this week is 95.9%, slightly below our whole school target. Well done to Year 2 and Year 3 who were our key stage winners. It's really important that we continue to work hard so that we achieve our target.

Sun Safety

Now that the weather seems to be getting warmer it's important to make sure that our children are protected from the sun. To keep your child sunsafe at breaktime and lunchtime could you please encourage them to wear a hat outside during these times. Applying once a day suntan lotion before the children leave for school each morning would also mean that they are protected against the sun. This is particularly important for our nursery and reception pupils who spend more time each day outside than our older pupils.

Year 6 Concert

Congratulations to our year 6 class who performed brilliantly in their first concert alongside the City Concert Band. Their playing and behaviour were superb with all members of the audience having a thoroughly enjoyable evening. We are hoping that they will have the opportunity to perform again before they leave at the end of the year.

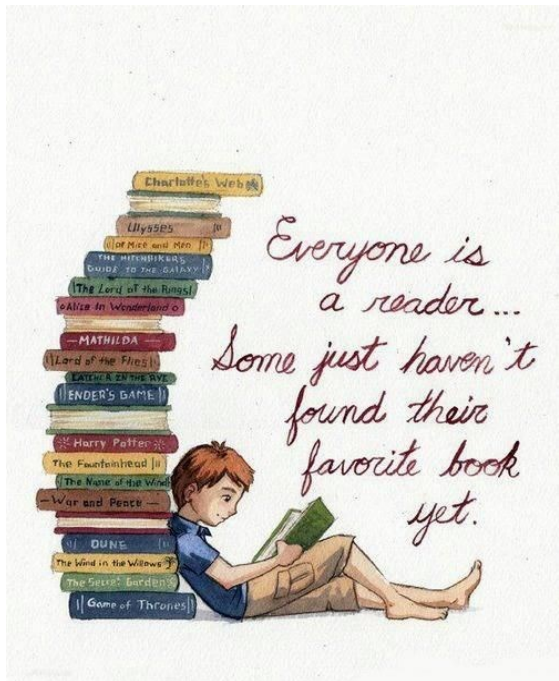

Year 6 SATs

We would like to wish our year 6 pupils all the very best in their SATs next week. Can all year 6 children please make sure you have a restful weekend and a good night's sleep on Sunday so that you are wide awake ready for the tests next week. We are sure you are going to do really well.

Book Fayre

Thank you to everyone who supported our Book fair. We sold £632 worth of books which means we receive £316 worth of free books for our school. A great result which will help us to replenish book corners in classrooms and our new library located at the children's entrance.

Sainsbury's Sports Vouchers

There is still time for you to bring in any Sainsbury's sports vouchers. These help us to buy extra PE equipment which is used both in lessons and during breaktimes/dinner times.

Class Group Photographs

You should now have received your child's class group photo and whole class photo. All orders need returning to school before Thursday 12th May.

Scooters, bikes and football

We are seeing an increasing number of children arriving to school very early and playing unsupervised on the playground. Children should not be arriving at school until 8.30am unless they are attending breakfast club or are a morning helper for their teacher. Scooters and bicycles should also not be ridden whilst on the school playground. There are an increasing number of incidents involving football. If these continue then we will have to stop football from taking place on the playground each morning.

Can I also remind all children that once they have left the school premises at the end of the day they should not return until the following day. Our playground is not to be used after school by any pupils.
