

# CHRIST CHURCH PRIMARY SCHOOL CHRONICLE

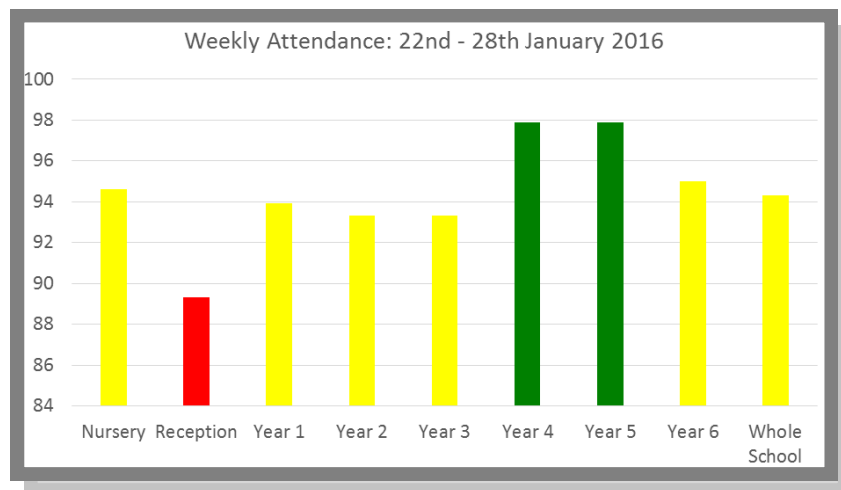

29th January 2016

**Learning with God and Each Other to Be the Best We Can Be**

## Attendance

### Weekly Attendance

Unfortunately our whole school attendance has dropped during the spring term with a number of classes and children below our whole school target. We hope that this is just a blip and the excellent attendance we saw during the autumn term will return soon. We continue to monitor individual attendance closely and all pupils whose attendance is below 90% are discussed with our EWO, Andy Brian. Well done to year 4 and year 5 though who achieved 97.9%.

### End of the School Day

The end of our school day for nursery is 3.00pm. Can you please make sure that children are collected promptly at the end of the day. If you have other children in school please collect the nursery children first before moving onto the main playground. Children in reception, year 1 and year 2 finish at 3.10pm and key stage 2 finish at 3.15pm.

### World Religion Day

Thank you to all of the parents/carers who joined us for our second Family Learning Event this week. All children and staff enjoyed the day and they learnt a great deal about the major world religions. I would like to thank Keisha Bampoe, Oliver Colclough, Perpetual Mintah-Bah and Kai Paxton for helping to lead our whole school worship during the afternoon in their role as journalists. Our next family learning day is 8<sup>th</sup> March when the theme will be Science. More details will follow closer to the date.
