COVID-19 SAFEGUARDING AND CHILD PROTECTION POLICY UPDATE

CHRIST CHURCH CE PRIMARY ACADEMY:- Christ Church CE Primary Academy

POLICY OWNER:- Paula Scattergood

DATE OF UPDATE:- 31st March 2020

DATE SHARED WITH STAFF:- 31st March 2020

CONTEXT

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This policy has been written in an unprecedented situation in which advice is continually being updated while every attempt will be made to keep this policy updated this may not be practical- thus this policy only supplements Government advice and Guidelines.

This is an addendum to the Christ Church CE Primary Academy Safeguarding and Child Protection policy.

Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if

they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Christ Church CE Primary Academy recognises that previously looked after children are a potentially vulnerable group who may not have a social worker and will consider the support and offer to this cohort of children. In particular families and friend's carers may need additional support. Some previously looked after children may still have significant emotional wellbeing needs linked to their journey into care. Education settings have a key role in supporting the stability of those children with special guardianship orders or in adoptive homes.

Those with an EHC plan, where appropriate, will be risk-assessed and where appropriate in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

CHRIST CHURCH CE PRIMARY ACADEMY will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the Local Authority virtual school head (VSH) for looked-after and previously looked-after children. We will work with social workers to ensure that Personal Education Plans (PEPs) for Looked After Children are up to date with the current education offer that looked after children are accessing.

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, staff at Christ Church CE Primary Academy will explore the reasons for this with the parent and share this information with the social worker to seek advice on the next steps to be taken.

Where parents are concerned about the risk of the child contracting COVID19, CHRIST CHURCH CE PRIMARY ACADEMY or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

CHRIST CHURCH CE PRIMARY ACADEMY recognises the right of parents of vulnerable pupils not to send pupils to school.

Attendance monitoring

Local Authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance. The department has introduced a daily online attendance form to keep a record of children of critical workers and vulnerable children who are attending school. This allows for a record of attendance for safeguarding purposes and allows schools to provide accurate, up-to-date data to the department on the number of children taking up places

CHRIST CHURCH CE PRIMARY ACADEMY and social workers will agree with parents/carers whether children in need should be attending school. CHRIST CHURCH CE PRIMARY ACADEMY will then follow up on any pupil that they were expecting to attend, who does not. They will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

To support the above, CHRIST CHURCH CE PRIMARY ACADEMY will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, CHRIST CHURCH CE PRIMARY ACADEMY will notify the relevant social worker/ Local Authority

In CHRIST CHURCH CE PRIMARY ACADEMY the optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video call - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to child protection online systems and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the Academy.

It is important that all staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of that person is and how to speak to them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the CHRIST CHURCH CE PRIMARY ACADEMY Safeguarding Policy.

Staff are reminded of the need to report any concern immediately and without delay. This may mean by email to the DSL/DDSL to ensure the concern is captured.

Where staff are concerned about an adult working with children in CHRIST CHURCH CE PRIMARY ACADEMY, they should report the concern to the Head Teacher. If there is a requirement to make a notification to the Head Teacher whilst away from the site, this should be done verbally and followed up with an email.

Concerns around the Head Teacher should be directed to the Chair of Governors. CHRIST CHURCH CE PRIMARY ACADEMY will continue to offer support in the process of managing allegations.

Safeguarding Training and induction

DSL training is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing CHRIST CHURCH CE PRIMARY ACADEMY staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child. This will include contact numbers and emails for DSL's/DDSLs' if not on site.

Where new staff are recruited they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting OUTSIDE CHRIST CHURCH CE PRIMARY ACADEMY, that CHRIST CHURCH CE PRIMARY ACADEMY will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the original school confirms in writing that:

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

For movement amongst schools, then CHRIST CHURCH CE PRIMARY ACADEMY should seek assurance from the donor school that the member of staff has received appropriate

safeguarding training. Upon arrival, they will be given a copy of the receiving setting's Child Protection Policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, CHRIST CHURCH CE PRIMARY ACADEMY will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where CHRIST CHURCH CE PRIMARY ACADEMY are utilising volunteers, that CHRIST CHURCH CE PRIMARY ACADEMY will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

CHRIST CHURCH CE PRIMARY ACADEMY will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

CHRIST CHURCH CE PRIMARY ACADEMY will also continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing:

Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that CHRIST CHURCH CE PRIMARY ACADEMY is aware, on any given day, which staff/volunteers will be in CHRIST CHURCH CE PRIMARY ACADEMY, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, CHRIST CHURCH CE PRIMARY ACADEMY will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

Online safety in CHRIST CHURCH CE PRIMARY ACADEMY

Our Academies will continue to provide a safe environment, including online. This includes the use of an online filtering system. Where pupils are using computers in CHRIST CHURCH CE PRIMARY ACADEMY, appropriate supervision will be in place.

Children and online safety away CHRIST CHURCH CE PRIMARY ACADEMY

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per CHRIST CHURCH CE PRIMARY ACADEMY Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching (not streaming and videos) should follow the same principles as set out in CHRIST CHURCH CE PRIMARY ACADEMY code of conduct.

CHRIST CHURCH CE PRIMARY ACADEMY will follow the government 4 key areas that leaders should consider as part of any remote learning strategy when published.

Online teaching (streaming and videos)- CHRIST CHURCH CE PRIMARY ACADEMY will carefully plan and assess the reasoning for streaming and videos. CHRIST CHURCH CE PRIMARY ACADEMY will only provide this where other resources and services cannot provide the need in most cases this will be the exception rather than the norm due to the increased Safeguarding Risks.

CHRIST CHURCH CE PRIMARY ACADEMY will follow recently published [guidance from the UK Safer Internet Centre on safe remote learning](#) and from the [London Grid for Learning on the use of videos and livestreaming](#)

CHRIST CHURCH CE PRIMARY ACADEMY will ensure that any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Support for parents and carers to keep their children safe online includes:

Supporting children not in CHRIST CHURCH CE PRIMARY ACADEMY

CHRIST CHURCH CE PRIMARY ACADEMY is committed to ensuring the safety and wellbeing of all their Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in CHRIST CHURCH CE PRIMARY ACADEMY, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded as should a record of contact have made.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded. I wonder if reference to following Government Social Distancing Protocols must be adhered to when door-step/ face to face visits.

CHRIST CHURCH CE PRIMARY ACADEMY DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan. This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate. CHRIST CHURCH CE PRIMARY ACADEMY will share safeguarding messages on its website and social media pages.

CHRIST CHURCH CE PRIMARY ACADEMY recognises that CHRIST CHURCH CE PRIMARY ACADEMY is a protective factor for children and young people, and that the current circumstances, can affect the mental health of pupils and their parents/carers. All CHRIST CHURCH CE PRIMARY ACADEMY staff are aware of this in setting expectations of pupils' work where they are at home.

CHRIST CHURCH CE PRIMARY ACADEMY will ensure that where they care for children of critical workers and vulnerable children on site, they ensure appropriate support is in place for them.

Supporting children in CHRIST CHURCH CE PRIMARY ACADEMY

CHRIST CHURCH CE PRIMARY ACADEMY is committed to ensuring the safety and wellbeing of all its pupils. Our pupils will continue to be a safe space for all children to attend and flourish. Our Principal and LAC will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

CHRIST CHURCH CE PRIMARY ACADEMY will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19. They will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them.

Where CHRIST CHURCH CE PRIMARY ACADEMY has concerns about the impact of staff absence – such as the Designated Safeguarding Lead or first aiders – they will discuss them

immediately with the Trust and follow Local Authority procedures and inform the Chair of the LAC (including regular updates).

Peer on Peer Abuse

CHRIST CHURCH CE PRIMARY ACADEMY recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims. Where CHRIST CHURCH CE PRIMARY ACADEMY receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within the CHRIST CHURCH CE PRIMARY ACADEMY Child Protection Policy. Our academy will listen and work with the young person, parents/carers and any multiagency partner required to ensure the safety and security of that young person.

Concerns and actions will be recorded and appropriate referrals made.
