Reception - Autumn Term 2020

Dates for your diary:

P.E every Monday.

Reading books to be returned on a Friday and will go out the following Tuesday.

Over this term we are learning about these amazing things:

We will be using the story of the Three Little Pigs and The Gingerbread Man as the basis for all of our learning. We will start each of our topic by reading the story and acting it out, pretending to be the characters. We will unpick the story and create our own story based. We will be beginning to read simple words and sounds. Starting to write a sentence, using sounds they know and using finger spaces. In Mathematics, we will be looking at how numbers to 10 are represented in different ways and being able to match numerals to amounts. We will also be looking at 2D shapes and patterns.

Our Main Learning Challenge

- Are all houses the same?
- How fast can they run?

We value our partnership with you in supporting your child's learning and hope the information helps you to support and encourage your child with their learning. We know you take an interest in your child's learning and we thought this was a fantastic way to help you know what we are doing as a class so that you are able to support and encourage your child! We hope that this newsletter will help you plan days out, ideas about learning time you spend with your child and address any questions you have about your child's learning. If you have any questions to ask, no matter how small they may seem to you, please do not hesitate to ask.
