Year 2 -Autumn Term 2020

Dates for your diary:

PE will be on a Wednesday. Children need to bring their P.E kits in on the day and they will be sent home on the same day.

Toast

Please can I remind you that all toast money needs to be in on a Monday morning.

Toast 75p per week

Water bottles

Can you all ensure that a bottle is in school every day?

Money

Can all money be brought into school in a labelled envelope/purse on a Monday?

Over this term we are learning about these amazing things: In writing we will have lots of different writing opportunities linked to our texts. In maths we will be doing the following topics: Place value, addition and subtraction and multiplication.

In science we will be looking at everyday materials. In our Learning Challenge Topic, we will be looking at the following questions: Why do we love to live in Stoke-on-Trent? This will mostly be geography based with art and design and technology projects. In Autumn 2 our main learning challenge will be, what were the people who lived in or city like a 100 years ago? This will mostly be history based.

Our Main Learning Challenges -

Autumn 1

We value our partnership with you in supporting your child's learning and hope the information helps you to support and encourage your child with their learning. We know you take an interest in your child's learning and we thought this was a fantastic way to help you know what we are doing as a class so that you are able to support and encourage your child! We hope that this newsletter will help you plan days out, ideas about learning time you spend with your child and address any questions you have about your child's learning. If you have any questions to ask, no matter how small they may seem to you, please do not hesitate to ask.
