## Year 5 - Autumn Term 2020

### Dates for your diary:

Half term 26<sup>th</sup> - 30<sup>th</sup> October 2020  
Teacher Training day - 2<sup>nd</sup> November 2020

Over this term we are learning about these amazing things:

In writing we will be using the text *The Firework-Maker's Daughter* to help us write a letter, narrative prose, recounts of the story in the style of the author and a recount of Lila's adventure up Mount Merapi. In maths we will be looking at number and place value, addition and subtraction, statistics, multiplication and division and perimeter and area. In science we will be looking at materials and their properties. Our Learning Challenge topic will be about the Ancient Greeks including art and design and technology projects. PE will take place each Friday afternoon, please ensure your child's kit is in school.

Our Main Learning Challenge - Who were the groovy Greeks?

Our text - *The Firework-Maker's Daughter*

We value our partnership with you in supporting your child's learning and hope the information helps you to support and encourage your child with their learning. We know you take an interest in your child's learning and we thought this was a fantastic way to help you know what we are doing as a class so that you are able to support and encourage your child! We hope that this newsletter will help you plan days out, ideas about learning time you spend with your child and address any questions you have about your child's learning. If you have any questions to ask, no matter how small they may seem to you, please do not hesitate to ask.
