## Operation Encompass

Christ Church CE Primary Academy participates in Operation Encompass, a project that runs jointly between schools and Staffordshire Police.

Operation Encompass is a means of reporting to schools when an incidence of domestic abuse has taken place in a household which a child could or could not have been witness to.

The three members of our Safeguarding Team, Mrs Scattergood, Mrs Birks and Mrs Wilkes have received training on Operation Encompass which allows them to liaise with the police and use the information that has been shared, in confidence, while ensuring that we are able to make provision for possible difficulties experienced by children, or their families, who have experienced a domestic abuse incident.

Please be assured that the information we receive is confidential within our school and we will not speak to any child or family about the alert.

Operation Encompass is another way we can offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

If you would like any further information please do not hesitate to ask.
